Subject: Waiver of liabilities on Vehicles scrapped at RVSFs in Assam- Approval of Extension Reg.

Sir,

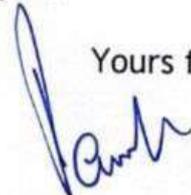

I am directed to State that Ministry of Road Transport and Highways (MoRTH) has introduced Voluntary Vehicle-Fleet Modernization Program (V-VMP) or "Vehicle Scrapping Policy" aimed at creating an eco-system to phase out unfit and polluting vehicles in an eco-friendly manner.

2. As part of the policy, States were advised to provide one-time waiver of pending liabilities (e.g., pending taxes and fee related to insurance, registration etc.) on vehicles scrapped at RVSFs for a period of at least one year vide MoRTH letter no. RT-23013/1/2022-T dated 21st November 2022. In this regard, Assam Government notified such an exemption vide Notification No. E-194696/50, dated 12 January 2023, effective for a period of 1 year, w.e.f. 15 January 2023 to 14 January 2024.

3. However, exemption under the said notification was **implemented on Vahan only in August 2023**, resulting in benefit to citizens for only 4-5 months. Further, recognizing that the implementation of vehicle scrapping policy is still in its formative stages, the State is requested to **extend one-time waiver of pending liabilities for at least two more years, i.e., until March 2026.**

4. It is requested that an early action may be taken in this regard.

Yours faithfully,

(Paresh Kumar Goel)
Director (Transport)
